

Epilex Privacy Policy

Thank you for using Epilex, a seizure tracking app developed and maintained by a young entrepreneur. Your privacy is important to me, and I want to be transparent about the data I collect, how it's used, and your rights regarding your information.

1. What Information I Collect

Epilex may collect and store the following types of information:

- **Seizure tracking data:** Dates, times, durations, descriptions, and severity of seizures.
- **Optional personal information:** Such as age, gender, or notes you provide in the app.
- **App usage information:** Basic analytics (e.g., crash reports, feature usage) to help improve the app.

No sensitive health data is transmitted to third-party services unless explicitly stated.

2. How Your Information Is Used

Your data is used only to provide and improve the core functionality of the app, including:

- Allowing you to log and view seizure history.
- Helping you analyze patterns in seizure activity.
- Fixing bugs and improving the app based on anonymous analytics.

3. Data Storage

- Data may be stored locally on your device or, if you create an account, securely in the cloud.
- At this stage, **Epilex is not HIPAA-compliant** and should not be considered a medical device or service.
- You should not use this app to store highly sensitive personal or medical information.

4. Data Sharing

- I **do not sell or share your data** with third parties for marketing purposes.
- Your information is never shared without your consent unless required by law.

5. Your Choices and Rights

You can:

- Access your data within the app.
- Delete your data at any time.
- Contact me to request full data deletion or ask questions.

6. Security

I take reasonable steps to protect your data. However, as a solo developer and early-stage project, I cannot guarantee absolute security. Please use the app at your own discretion.

7. Children's Privacy

Epilex is not intended for use by children under the age of 13. I do not knowingly collect information from children.

8. Changes to This Policy

I may update this Privacy Policy from time to time. You'll be notified in-app or via email (if provided) if there are significant changes.
